

ABOUT US

Saints Basketball Club is an organization dedicated to the development of student athletes ages 10-18 for National and International basketball competition through a rigorous athletic training program. The student athletes in our organization receive the highest quality training, which allows our student athletes to compete on a premier level.

Junior Athletes (Ages 10-14)

Our junior program will make you a better individual and team player. We bring intense, college-styled basketball training to your age group. We not only teach the game at a high level but also provide you the opportunity to challenge your skills across the country.

High School Athletes

During the NCAA's spring and summer viewing periods SBC teams travel throughout the country to participate in prestigious tournaments viewed by hundreds of colleges coaches at every level (DI, DII, DIII, Ivy League and NAIA). In the spring, SBC traditionally participates in the Easter Classic, played at the University of Las Vegas, Durango HS and other local HS. Our Student athletes compete against the top players across the country, as well as internationally.

Also, SBC hosts many high quality events such as the 50 State Championships, Summertime Invitational Tournaments, and the JanSport Competitive Edge Summer Camp. Under the committed leadership of the National Director of Saints Basketball Club and 2KR SPORTS, these events attract NCAA Colleges, which ensures SBC's student athletes have the opportunity to obtain athletic scholarships.

Whether your goal is to start for your high school team, become a better athlete, or play at the collegiate level this team is for you.

SAINTS BASKETBALL CLUB

SPONSORED BY

WHAT SBC OFFERS:

Commitment to excellence by SBC directors, coaching staff and its student athletes. Effective communication and organization (on time practices, advance announcements of game schedules, travel arrangements/accommodations, and clearly stated financial obligations with accurate records). Opportunity to play with and against the best in the country.

SBC's REPUTATION:

SBC's program has demonstrated local and national credibility with the youth basketball community for honesty, integrity and SBC's continued tradition of producing student athletes. SBC's credibility among College Recruiters and Tournament Organizers is undisputed. The program's reputation has been earned through hard work and dedication to the principles for which this program stands. SBC players are among the best in the area and are actively recruited. All SBC players receive maximum exposure to College Recruiters during Tournaments and Camps. This is made possible by the SBC National Director and his personal relationships and credibility with college recruiters. Successful promotion of SBC players is a full time job that requires active and aggressive advocating on behalf of the student athlete. Each SBC player will receive their fair share of playing time and a commitment from the SBC organization to help each athlete achieve their goals.

WHAT SBC EXPECTS OF YOU:

SBC requires athletes to be dedicated to their game as well as dedicated to their academics, which means that each player must be academically qualified to play for SBC. Parents are expected to provide the necessary support to ensure his or her daughter's success as an SBC player. Parents must ensure that athletes attend every practice and are on time. Parents must meet their financial obligations in a timely manner. As with our athletes, parents are expected to demonstrate good character and integrity in their actions. Negative criticism will not be tolerated. SBC maintains a positive environment for its staff, athletes and their families.

INVITATION TO JOIN TEAM JANSPOURT

Dear Player & Parents,

If you are interested in being part of the best basketball community in the Bay Area then you should make plans to attend orientation with our director. The SBC is designed for the student-athlete who is competitive in nature and has a goal of playing basketball at the highest level.
